The first step of the salary range for each classification of employees is the minimum rate that will be paid for employees in that classification and shall normally be the hiring rate for the

classification. In cases where it is difficult to secure qualified personnel, or if a person is hired who has prior years of service performing similar duties (i.e. a lateral appointment), the City Manager may set the hiring rate above step 1.

**Section 6.6: Performance Evaluations**

Each employee shall be evaluated after completing six (6) months of service ("Initial Probationary Period"). The evaluations shall examine the employee's performance of various categories set forth on the evaluation form and shall also include an overall evaluation rating. Performance ratings of less than "satisfactory" shall include a written explanation for the rating and provide guidance to the employee to assist the employee in achieving more favorable ratings.

Each evaluation shall be discussed with the employee. Written evaluations may be adjusted by the evaluator as a result of the discussion with the employee. Once an evaluation is in final form following the discussion with between the evaluator and the employee, the employee may make a written request for an appeal of the evaluation to the City Manager. The City Manager shall hear the appeal within ten (10) working days of receiving the appeal request and provide a written response within thirty (30) days of the appeal meeting. However, performance evaluations are not subject to the grievance procedures set forth in this MOU. Employees shall be permitted to submit a written response to any performance evaluation, which shall be attached to the evaluation and maintained in the employee's personnel file.

If an employee receives an overall evaluation of less than "satisfactory", the employee may be re-evaluated after a minimum of six (6) months to determine whether salary adjustments are appropriate. All delayed salary adjustments resulting from less than "satisfactory" performance evaluations shall be prospective and not retroactive, regardless of when the adjustment is made.

An employee's anniversary date does not change regardless of the number of evaluations that occur in a year and regardless of when the employee receives a salary adjustment.

**Section 6.7: Increase in Salary Range and Step**

- A. Every regular employee shall have a normal anniversary of twelve (12) months from the employee's date of hire and will be eligible for advancing through the steps of the relevant salary range on the employee's normal anniversary date.

- C. Merit salary advancements shall be granted in single step increments within the salary range for a particular classification based upon employee performance evaluations as described in this Section. Department Directors may recommend that employees receive a merit salary adjustment of two (2) steps a maximum of one (1) time during such employee's tenure in a given classification in recognition of outstanding service. Such recommendations shall be an exception to the general rule that adjustments shall be made in single step increments. Merit salary adjustments of two (2) steps shall be subject to prior approval of the City Manager.
- D. All step advancements will become effective on the first day of a pay period. Step advancements due to satisfactory performance will be made on the first day of the pay period in which the anniversary date falls, except where a step advancement is a result of a re-evaluation that occurs after the employee's anniversary date, in which case the effective date will be the first day of the pay period in which the step advancement is granted.

**Section 6.8: Salary on Promotion**

An employee who is promoted from one classification to another classification with a higher salary range shall have the salary adjusted within the new range to guarantee a minimum five percent (5%) increase.

An employee who is reclassified from one classification to another having a higher salary range shall be adjusted within the new range so as to guarantee a minimum of five percent (5%) increase. In addition, an employee who is reclassified within ninety (90) days of the employee's anniversary date shall have his or her annual performance valuation from the employee's former position conducted at the time of the reclassification. If the employee receives an overall rating of "satisfactory", the employee shall receive a merit increase at the time of the reclassification, in addition to being assigned to a step within the salary range which will guarantee a minimum five percent (5%) increase.

A reclassified employee's anniversary date shall change to the effective date of the reclassification. Future performance evaluations shall be based upon the employee's new anniversary date.

#### **Section 6.10: Salary on Transfer**

An employee who voluntarily decides to change positions which results in a transfer from a classification with a higher salary range to a classification with a lower salary range shall be assigned to the step in the salary range for the new (lower classification) position which is the closest to, but not less than, the employee's salary range in the former (higher classification) position, not to exceed the maximum step for the new position.

Voluntary changes in positions which result in a transfer from a class with a lower salary range to a classification with a higher salary range shall be governed by Section 6.8 (Salary on Promotion).

The anniversary date for transferred employees shall change the effective date of the transfer. Future performance evaluations shall be based upon the employee's new anniversary date.

#### **Section 6.11: Salary on Demotion**

The anniversary date for employees who are demoted for any reason shall change to the effective date of the demotion. Future performance evaluations shall be based upon the employee's new anniversary date.

##### **Section 6.11.1: Demotion for Disciplinary Reasons**

An employee who is demoted from a classification with a higher salary range to a classification with a lower salary range as a result of disciplinary action taken against the employee shall be assigned to a step in the salary range for the new (lower classification) position based upon the recommendation of the Department Director, subject to approval of the City Manager.

##### **Section 6.11.2: Demotion in Lieu of Layoff**

An employee who is demoted from a classification with a higher salary range to a classification with a lower salary range in lieu of being laid off shall be assigned to the step in the salary range

for the new (lower classification) position that is the same as the step in the employee's current classification.

**Section 6.12: Adjustments in Salary Ranges**

Adjustments in the general salary ranges made after the effective date of this MOU shall be made after meeting and conferring with the Union in accordance with the Meyers-Milias-Brown Act, Resolution No. 2581-10, and the City's Personnel Rules and Regulations, and after ratification by resolution of the City Council. Employees affected by the adjustments to the salary ranges shall have their existing salary adjusted to the same relative step in the new salary range.

**Section 6.13: Reduced Hour Positions**

- A. Subject to the terms of the City's Personnel Rules and Regulations related to hiring requirements, the City may hire employees for permanent positions of less than 40 hours per week ("Reduced Hour Positions").   - 6. Reduced Hour Position employees who work a minimum of thirty (30) hours per week shall receive life insurance equal to the employee's annual base salary rounded to the next highest \$1,000. The life insurance policy shall only be in effect while the employee is employed by the City.

- C. Reduced Hour Position employees are required to complete an Initial Probationary Period on the same terms and conditions as are set forth in Section 5.4 of this MOU.

If the foregoing circumstances exist, the Parties may conduct a second and final arbitration on the same terms and conditions as are stated in this Section.
10. The arbitrator's expenses shall be shared by the parties. In the event that the arbitrator makes a compromised decision, the arbitrator's expenses shall be apportioned to the parties by the arbitrator based on the relative merits of their respective cases. The City will advance the costs of arbitration and obtain reimbursement, if appropriate, for the Union's or employee's share. Each party shall be responsible for compensating its own representatives and witnesses. If a party desires that a record of the testimony be made at the proceedings, it may cause such a record to be made at its expense provided, however, that it supplies the arbitrator and the other party or parties with copies of such record at no expense to the other party or parties.
11. Any time limitation provided in this Section may be waived in writing by mutual agreement of the parties or their designated representatives. If either party fails to comply with any time limitation or extension thereof, absent written waiver of same, the appeal shall automatically be resolved in favor of the other party.
12. An aggrieved employee shall have the right to process a grievance pursuant to the provisions of this Section individually, by the Union, and/or by an attorney at law.
