ARTICLE 1: PURPOSE

The purposes of this MOU are to promote and provide for harmonious relations, cooperation, and understanding between the City and the APOA and to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise regarding wages, hours, and other terms and conditions of employment.

To be considered for a position, such persons must meet the minimum qualifications for the position. Participation in an in-house recruitment process does not guarantee selection for an open position. The City may use external recruitment to fill a position subject to this MOU if the position is not filled through the in-house recruitment process.

Section 5.2: Initial Probationary Period

All newly hired employees shall be required to complete an initial probationary period of a minimum of six (6) months, with the exception of Police Officers and Public Safety Dispatchers, who shall be required to complete an initial probationary period of a minimum of one (1) year. Employees who are promoted or transferred, but who have already successfully completed an initial probationary period, and who do not successfully complete the promotional or transfer probation, may move back to their previous position.

ARTICLE 6: SALARIES

Section 6.1.1: Future Salary Adjustments

The City and APOA will consider future adjustments to salary ranges for all employees in the PD Unit on an annual or more frequent basis.

Section 6.2: Job Classification Review and Compensation Adjustments

The City recognizes the need to periodically review job classifications for purposes of evaluating the applicability of specific job related requirements and to evaluate associated salary ranges. To this end, the City and the APOA agree to meet and confer through the Labor-Management

Committee to review the job classifications in the PD Unit and evaluate possible equity adjustments.

Section 6.3: Payment and Administration

All employees shall be paid every other Thursday for the prior two (2) work weeks.

Section 6.4: Deductions in Compensation

Any employee who works less than a full pay period, except when using earned vacation, compensatory time, paid holiday or paid sick leave, shall be compensated based on the number of hours actually worked in that pay period.

Section 6.5: Salary of New Employees

The first step of the salary range for each classification of employees is the minimum rate that will be paid for employees in that classification and shall normally be the hiring rate for the classification. In cases where it is difficult to secure qualified personnel, or if a person is hired who has prior years of service performing similar duties (i.e. a lateral appointment), the City Manager may set the hiring rate above step 1.

Section 6.6: Performance Evaluations

Each employee shall be evaluated after completing the Initial Probationary Period. The purpose of this initial evaluation is to determine whether the employee has performed in a manner that justifies changing the employee's status to "Regular" or extending their probationary status.

In addition to the initial evaluation, each employee shall be evaluated on an annual basis, with each evaluation to occur at or near the employee's anniversary date. If, in the discretion of the City, the employee is performing at a less than satisfactory level, a meeting shall be held to discuss the performance issues. The employee shall be provided with written documentation regarding corrective actions that the employee needs to take. The purposes of conducting performance evaluations are to assess each employee's performance of their job duties and determine whether salary adjustments are appropriate.

Performance evaluations shall be conducted in writing by the employee's immediate supervisor, or his or her designee. The evaluations shall examine the employee's performance of various categories set forth on the evaluation form and shall also include an overall evaluation rating. Performance ratings of less than "satisfactory" shall include a written explanation for the rating and provide guidance to the employee to assist the employee in achieving more favorable ratings.

Each evaluation shall be discussed with the employee. Written evaluations may be adjusted by the evaluator as a result of the discussion with the employee. Once an evaluation is in final form following the discussion with between the evaluator and the employee, the employee may make a written request for an appeal of the evaluation to the City Manager. The City Manager shall hear the appeal within ten (10) working days of receiving the appeal request and provide a written response within thirty (30) days of the appeal meeting. However, performance

evaluations are not subject to the grievance procedures set forth in this MOU. Employees shall be permitted to submit a written response to any performance evaluation, which shall be attached to the evaluation and maintained in the employee's personnel file.

If an employee receives an overall evaluation of less than "satisfactory", the employee may be re-evaluated after a minimum of six (6) months to determine whether salary adjustments are appropriate. All delayed salary adjustments resulting from less than "satisfactory" performance evaluations shall be prospective and not retroactive, regardless of when the adjustment is made.

An employee's anniversary date does not change regardless of the number of evaluations that occur in a year and regardless of when the employee receives a salary adjustment.

Section 6.7: Increase in Salary Range and Step

- A. Every regular employee shall have a normal anniversary of twelve (12) months from the employee's date of hire and will be eligible for advancing through the steps of the relevant salary range on the employee's normal anniversary date.

- C. Merit salary advancements shall be granted in single step increments within the salary range for a particular classification based upon employee performance evaluations as described in this Section. Supervisors may recommend that employees receive a merit salary adjustment of two (2) steps a maximum of one (1) time during such employee's tenure in a given classification in recognition of outstanding service. Such recommendations shall be an exception to the general rule that adjustments shall be made in single step increments. Merit salary adjustments of two (2) steps shall be subject to prior approval of the City Manager.
- D. All step advancements will become effective on the first day of a pay period. Step advancements due to satisfactory performance will be made on the first day of the pay period in which the anniversary date falls, except where a step advancement is a result of a re-evaluation that occurs after the employee's anniversary date, in which case the effective date will be the first day of the pay period in which the step advancement is granted.

Section 6.8: Salary on Promotion

An employee who is promoted from one classification to another having a higher salary range shall be adjusted within the new range so as to guarantee a minimum five percent (5%) increase.

Section 6.9: Salary on Reclassification

An employee who is reclassified from one classification to another having a lower salary range shall be assigned to a step within the salary range that is closed to, but not less than the employee's current salary. Notwithstanding the foregoing, the City Manager may, in his/her sole discretion, permit the employee to retain his/her current rate of pay, even though it is higher than the salary range for the reclassified position, for a maximum of two (2) fiscal years.

An employee who is reclassified from one classification to another having a higher salary range shall be adjusted within the new range so as to guarantee a minimum of five percent (5%) increase. In addition, an employee who is reclassified within ninety (90) days of the employee's anniversary date shall have his or her annual performance valuation from the employee's former position conducted at the time of the reclassification. If the employee receives an overall rating of "satisfactory", the employee shall receive a merit increase at the time of the reclassification, in addition to being assigned to a step within the salary range which will guarantee a minimum five percent (5%) increase.

A reclassified employee's anniversary date shall change to the effective date of the reclassification. Future performance evaluations shall be based upon the employee's new anniversary date.

Section 6.10: Salary on Transfer

An employee who voluntarily decides to change positions which results in a transfer from a classification with a higher salary range to a classification with a lower salary range shall be assigned to the step in the salary range for the new (lower classification) position which is the closest to, but not less than, the employee's salary range in the former (higher classification) position, not to exceed the maximum step for the new position.

Voluntary changes in positions which result in a transfer from a class with a lower salary range to a classification with a higher salary range shall be governed by Section 6.8 (Salary on Promotion).

The anniversary date for transferred employees shall change the effective date of the transfer. Future performance evaluations shall be based upon the employee's new anniversary date.

Section 6.11: Salary on Demotion

The anniversary date for employees who are demoted for any reason shall change to the effective date of the demotion. Future performance evaluations shall be based upon the employee's new anniversary date.

Section 6.11.1: Demotion for Disciplinary Reasons

An employee who is demoted from a classification with a higher salary range to a classification with a lower salary range as a result of disciplinary action taken against the employee shall be assigned to a step in the salary range for the new (lower classification) position based upon the recommendation of the Supervisor, subject to approval of the City Manager.

Section 6.11.2: Demotion in Lieu of Layoff

An employee who is demoted from a classification with a higher salary range to a classification with a lower salary range in lieu of being laid off shall be assigned to the step in the salary range for the new (lower classification) position that is the same as the step in the employee's current classification.

Section 6.12: Adjustments in Salary Ranges

Adjustments in the general salary ranges made after the effective date of this MOU shall be made after meeting and conferring with the APOA in accordance with the Meyers-Milias-Brown Act, Resolution No. 2581-10, and the City's Personnel Rules and Regulations, and after ratification by resolution of the City Council. Employees affected by the adjustments to the salary ranges shall have their existing salary adjusted to the same relative step in the new salary range.

Section 6.13: Reduced Hour Positions

- A. Subject to the terms of the City's Personnel Rules and Regulations related to hiring requirements, the City may hire employees for permanent positions of less than 40 hours per week ("Reduced Hour Positions"). Appointments to "Reduced Hour Positions" shall be processed on a regular Personnel Action Form which shall designate the number of hours to be worked. Reduced Hour Positions shall be subject to provisions of this MOU.
- B. An employee holding a Reduced Hour Position may participate in the City's benefit programs as established for Reduced Hour Positions as follows:

 5. Reduced Hour Position employees shall be provided holiday pay as set forth in Section 8.4 of this MOU.
 6. Reduced Hour Position employees who work a minimum of thirty (30) hours per week shall receive life insurance equal to the employee's annual base salary rounded to the next highest One Thousand Dollars (\$1,000). The life insurance policy shall only be in effect while the employee is employed by the City.
- C. Reduced Hour Position employees are required to complete an Initial Probationary Period on the same terms and conditions as are set forth in Section 5.4 of this MOU.
- D. Seniority of Reduced Hour Position employees shall accrue from date of appointment regardless of the number of hours worked by the employee.
- E. If the City determines that the hours required of a Reduced Hour Position need to be increased, up to and including, Full-Time employment status, the employee currently holding the Reduced Hour Position shall have the right of first refusal to occupy that position with the increased hourly requirement.
- F. Current City employees may volunteer to serve in Reduced Hour Positions. Regular Full-Time employees shall not be required to accept a Reduced Hour Position. However, if the City changes a position from Full-Time to Reduced Hour and the employee currently holding the position declines to accept the Reduced Hour Position, that position may be filled by someone else and the City is not required to find another position for the employee. If two (2) or more employees seek appointment to a Reduced Hour Position, and all other factors are equal, the employee with the most Seniority shall fill the position.
- G. The City Manager, in his/her sole discretion, shall have the ability to determine the number of Reduced Hour Positions.

Thereafter, the employee shall be paid at the step in the salary range for the alternate position which is equivalent to the step in which the employee is

Within ten (10) days after receipt of said list, the parties shall select the arbitrator. Each party shall have the right to strike two (2) names from the list of arbitrators as submitted. The party requesting arbitration shall have the right to strike the first name and the other party shall then strike one (1) name with the same process being repeated so that the person remaining on the list shall be the arbitrator. The arbitration hearing shall be held within twenty (20) days after selection of the arbitrator or as soon thereafter as the arbitrator is available.

7. Each party shall have the right to be represented by counsel or other person of his/her choice at that party's expense.

If the foregoing circumstances exist, the Parties may conduct a second and final arbitration on the same terms and conditions as are stated in this Section.
10. The arbitrator's expenses shall be shared by the parties, except if the matter involves termination of an employee. In the event that the arbitrator makes a compromised decision, the arbitrator's expenses shall be apportioned to the parties by the arbitrator based on the relative merits of their respective cases. The City will advance the costs of arbitration and obtain reimbursement, if appropriate, for the APOA's or employee's share. Each party shall be responsible for compensating its own representatives and witnesses. If a party desires that a record of the testimony be made at the proceedings, it may cause such a record to be made at its expense provided, however, that it supplies the arbitrator and the other party or parties with copies of such record at no expense to the other party or parties.
11. Any time limitation provided in this Section may be waived in writing by mutual agreement of the parties or their designated representatives. If either party fails to comply with any time limitation or extension thereof, absent written waiver of same, the appeal shall automatically be resolved in favor of the other party.
12. An aggrieved employee shall have the right to process a grievance pursuant to the provisions of this Section individually, by the APOA, and/or by an attorney at law. This arbitration clause shall govern all disputes involving dismissal, suspension of more than three (3) days, demotion, or reduction in pay. The City and employees agree to be bound by this arbitration clause and agree to waive the right to resolve any such dispute by filing a lawsuit in a court of law.

ARTICLE 16: GRIEVANCE PROCEDURE

All grievances shall be presented in accordance with the following rules, with the presentation to be made at the lowest appropriate step.

- A. Step 1. The employee, with or without the employee representative/certified organization representative, shall discuss the grievance with the employee's immediate supervisor within ten (10) calendar days of the date the grievance arises or the employee learns of its occurrence. The supervisor shall attempt to resolve the matter and shall respond to the employee within five (5) working days.
- B. Step 2. If the grievance is not settled by the employee's immediate supervisor, it shall be presented in writing by the employee or employee representative/certified organization representative to the employee's Supervisor within seven (7) calendar days after the supervisor's response is due. The employee's Supervisor shall respond to the employee in writing within five (5) working days.
- C. Step 3. The Police Chief shall respond in writing to the employee within five (5) working days.
- D. Step 4. If the grievance still remains unresolved, it shall be presented by employee or employee representative/certified organization representative to the City Manager in writing within seven (7) calendar days after the response of the employee's Supervisor is

ARTICLE 17: MISCELLANEOUS

Section 17.1: Personnel Reports and Records

- A. The City Manager shall require information relating to personnel actions to be kept and reported on such forms as he/she may direct. All personnel records shall be maintained by the City for at least five (5) years after the termination of the employee's employment.
- B. An employee, or, upon presentation of written authorization from the employee, an employee's representative, shall have access to the employee's official personnel file upon request. Such access shall be during normal working hours and shall be monitored by the City.
- C. Nothing of a derogatory nature shall be placed in the file unless the employee has been given a copy of the material. An employee may respond in writing to such material and the response shall also be placed in the official personnel file.
- D. All requests for verification of employment (for current and prior employees) shall be submitted to the Department of Human Resources. Prior to releasing any information in response to a request for verification of employment, the Human Resources Department shall obtain the written consent of the employee.

Section 17.2: Other Employment

No full time employee shall engage in any outside employment without first obtaining the permission of the City Manager, which shall not be unreasonably denied. No full time employee shall engage in outside activity which is incompatible or in conflict with his/her duties to and/or employment with the City.

Section 17.3: Employment of Relatives

Close relatives of employees may not be hired for positions in the same department of City service without prior approval of the City Manager, which may be granted in his/her sole discretion. Only Regular employees are considered in City service for purposes of this Section. For purposes of this Section, the term "close relatives" is intended to include: parents, spouses, domestic partners, partners residing in the same household, children, foster children, siblings, siblings of spouse, spouses of siblings, father-in-law, mother-in-law, grandparents,

grandchildren, nephews, nieces, aunts, uncles, first cousins, or spouses of nephews, nieces, aunts or uncles.

Section 17.4: Training

- A. The City recognizes the need to provide an ongoing program of training for all employees to ensure that they are able to maintain an acceptable level of knowledge, skills, and abilities related to their positions and the performance of their job duties and responsibilities. To this end, the City agrees that job-related training will be equally distributed among classifications according to need. Need shall be evaluated and determined through the development and implementation of an annual training plan within each Department. Where a training program is offered by the City and an employee is requested or required by the City to attend, the City shall pay the cost thereof. For the purpose of this section, work days and hours will be subject to modification to reduce and/or minimize the payment of overtime.

It is agreed that all Regular status employees will receive first consideration for all training provided that such training is relevant to their job duties and classification. It is also agreed that there may be times where a probationary temporary or seasonal employee may require training in order to perform his/her assigned duties and responsibilities and thus those employees shall be considered for training.

- B. The City agrees that employees may desire to enroll in training and/or academic courses that may provide the employee with general or specific skills and/or knowledge that contributes to their ability to perform their current position or enhances promotional opportunities. In those cases, the employee may have one-half (½) of the cost (including course fees, books, materials and tuition) paid by the City if prior approval is obtained from the City Manager. Approved reimbursements shall be made upon successful completion of the course. To participate in this program, employees are required to complete the required City request form and turn it into the Human Resources Department.
- C. While the City is receiving aid from the State of California, the City shall comply with Penal Code § 13522 regarding the standards for recruitment and training established by the California Commission on Peace Officer Standards and Training.

Section 17.5: Medical Exams / Fitness for Duty Exams

Medical examinations and/or fitness for duty examinations for all employees may be required in the sole discretion of the City Manager. Such examinations may occur as part of the hiring and disciplinary processes, and before an employee returns to work following an injury. If required, the cost of such examination shall be paid by the City.

Section 17.6: Subcontracting

The City may consider subcontracting for work or service normally performed by employees of the PD Unit for justifiable business purposes. Whenever the City proposes to do so, the APOA will be notified no later than sixty (60) calendar days prior to the date of subcontracting. The

APOA will have the right to meet with the City to discuss the proposed action. In the event of a vacancy in any position, the City may subcontract to fill said position on a temporary basis not to exceed sixty (60) days upon giving the APOA seven (7) days written notice. The Parties agree that the hiring of police reserves does not constitute subcontracting for purposes of this Section.

Section 17.7: Discriminatory Workplace Harassment Policy

The City has a Discrimination and Workplace Harassment Policy, which has been implemented to protect the interests of all employees. All employees shall comply with the terms of the Policy. The City is a member of the Employer Risk Management Authority (ERMA) through its membership in the Central San Joaquin Valley Risk Management Authority. - B. The City Manager and Supervisor have, and will continue to retain, exclusive decision-making authority on matters not officially and expressly modified by specific provisions of this MOU, and such decision-making shall not in any way, directly or indirectly, be subject to the Grievance procedure contained herein.
- C. The exclusive rights of the City shall include, but not be limited to, the following right: to determine the organization of City government and the purpose and mission of its constituent agencies, to set standards of service to be offered to the public, and through its management officials, to exercise control and discretion over its organization and operations, to establish and effect administrative regulations and employment rules and regulations consistent with law and the specific provisions of this MOU, to direct its employees, to take disciplinary action for just cause, to relieve its employees from duty because of lack of work or for other legitimate reasons, to determine whether goods or services shall be made, purchased or contracted for, to determine the methods, means and personnel by which the City's services are to be provided, including the right to

schedule and assign work and overtime, and to otherwise act in the interest of efficient service to the community.

ARTICLE 20: CONCLUSIVITY

- A. This MOU is the sole and entire agreement between the City and the APOA and shall supersede all prior Memoranda of Understanding for the PD Unit. Wherever there is a direct conflict, this MOU shall supersede all existing personnel rules, regulations and resolutions.
- B. Benefits and working conditions provided for by this MOU shall not vest in/to the APOA or an employee but shall remain in full force and effect only for the term of the MOU except as otherwise provided herein, or pursuant to applicable law.
- C. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained in this MOU shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto.

ARTICLE 21: SAVINGS CLAUSE

If any provision of this MOU, or any addendum or side letter hereto should be held to be invalid by operation of law, or by a court of competent jurisdiction, or if compliance or enforcement of any provision of this MOU should be restrained by such court or by the enactment of any superseding rule, regulation, law or order by any governmental authority other than the City, such provision shall immediately be suspended and shall be of no force or effect, and the parties shall be immediately suspended and be of no force and effect, and the parties shall immediately begin the meet and confer process for the purpose of arriving at a mutually satisfactory replacement for such provision. Invalidation of this MOU or any provision hereof shall not invalidate any remaining portions unless those remaining portions were contingent upon the operations of the invalidated section.

ARTICLE 22: TERM OF AGREEMENT

- A. This MOU shall be effective March 10, 2016 and shall remain in full force and effect through June 30, 2017.
- B. In the event a notice of intent to modify or terminate this MOU is served by a party, negotiations shall begin as soon as mutually acceptable, but no later than sixty (60) days prior to the applicable date set for termination of this MOU (i.e. June 30 of the relevant year). Upon mutual agreement, the parties may exchange their respective written proposals for modifying the Agreement at least seven (7) days in advance of the first scheduled meeting.
- C. This MOU shall remain in full force and effect during the period that negotiations are underway until such time as a successor agreement is executed by the parties.
