

**CIVIL ENGINEERING ASSISTANT:** \$25.31 - \$32.31/hr. The City of Atwater is recruiting for a regular, full time Civil Engineering Assistant in the City of Atwater's General Services Department. Under general direction, to perform a variety of advanced technical and paraprofessional office and field engineering work; to prepare plans, designs, and specifications for a variety of City projects; to review work prepared by outside consultants; to prepare engineering reports; and to do related work as required. Serves as Disaster Service Worker. FLSA Status: Non-exempt. Bargaining Group: Miscellaneous Unit.

Minimum qualifications include but are not limited to: Graduation from an accredited community or junior college with an AA degree in civil engineering or a related field; or enrolled in a four (4) year engineering program. Two (2) years of increasingly responsible technical engineering support experience in public works engineering, surveying, engineering drafting, or a related field; C.A.D. experience is highly desirable. Possession of, or ability to obtain, appropriate certification and licenses as designated by the City of Atwater. Possession of valid driver's license. Please refer to job description for complete listing of minimum qualifications located on the City's website.

Upon issuance of a conditional job offer, qualifying candidates are required to successfully complete a criminal record background clearance, credit check, medical examination, and drug screen.

Applications may be obtained on the City's website [www.atwater.org](http://www.atwater.org) or picked up at City Hall and must be submitted directly to the Human Resources Department, 750 Bellevue Road, Atwater, CA. Final filing date: **5:00 PM, Wednesday, July 3, 2019.**
