

Getting to know...Councilmember and Mayor Pro Tem [Brian Raymond](#):

What are your favorite hobbies in your off time when you aren't serving as Mayor pro tem:
When I'm not in my role as mayor pro tem (vice mayor) I'm usually at my full-time job as a realtor. That said, when I'm not in either of those roles I'm usually with my family. There is nothing better than an afternoon BBQ.

What do you love about Atwater:

I love the people in Atwater. The majority of folks I've met here throughout my life have been good people and have been willing to bring others in to their homes. We're a place where we still help one another out in times of need. On top of that we're a community blessed to have a number of veterans who served right here at Castle Air Force Base. They love this community with all they have, in fact, a group of them recently raised \$50,000 plus and completely renovated the pavilion out at Veterans park. To this day we thank them for their service to our country and service to our community.

What's your favorite annual Atwater event and why?

It would have to be the 4th of July Parade.

Who is your favorite professional wrestler, and could you be them when you were in your prime as "Bulldog" Brian Raymond?

Tricky question, I had many favorites: Macho Man and Dynamite Kid to name a couple. I could never be those guys, they were one of a kind.
